

I think of a number, then add 2.

The answer is 7.

What was my number?

Lisa has 5 pens and Tom has 2 pens.

How many pens do they have altogether?

How many more pens has Lisa than Tom?

Tina rolled double 6 on her two dice.

What was her score?

Scores in a game are:

Josh	$2 + 3$
Sam	$3 + 5$
Dan	$4 + 2$

How many did Sam and Dan score altogether?

How many more did Sam score than Josh?

Some hens lay 2 eggs, 4 eggs and 3 eggs.
How many eggs did they lay altogether?

Half of the cakes in this box of 10 are gone.
How many are left?
